About Our Training

ChildFirst PA brings the field of child protection into the classroom, educating and strengthening of multidisciplinary investigative teams (MDIT). It is accredited by the National Child Protection Training Center and teaches a nationally recognized forensic interview protocol.

The course is designed for investigative teams of law enforcement officers, social workers, prosecutors, child protection attorneys, forensic interviewers, and medical providers. Students receive training on child development, memory and suggestibility, legally defensible forensic interview techniques, testifying in court, legal issues and preparing children for court. This training incorporates lecture and discussion, review of recorded forensic interviews, skill-building exercises and an interview practicum.

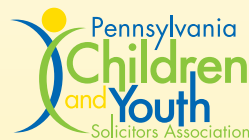

The child is our first priority. Not the needs of the family. Not the child's "story". Not the evidence. Not the needs of the courts. Not the needs of police, child protection, attorney's etc. The child is our first priority!

First Annual Golf Outing

First Annual ChildFirst Golf Outing

The first annual ChildFirst Pennsylvania Charity Golf Outing will be held Friday, April 25th, 2014 at Dauphin Highlands and Toftrees Golf Club. Since ChildFirst Pennsylvania's inception, ChildFirst PA has trained over 300 frontline child protection workers from 32 counties throughout the state. ChildFirst Pennsylvania is nationally recognized forensic interviewer and multi-disciplinary investigative team (MDIT) training. It is designed to strengthen the investigation and prosecution of child abuse while teaching how to place the Child first ahead of all else. The National ChildFirst program began over 12 years ago as the vision of Victor Vieth of the National Child Protection Training Center (www.ncptc.org) and CornerHouse. In 2012, ChildFirst Pennsylvania partnered with the Pennsylvania State Police, the largest state police force in the country.

The Pennsylvania ChildFirst Golf Outing is a wonderful opportunity to help assist in the continuation of providing this valuable training opportunity to many more frontline workers who directly work with abused and neglected children. However, we would be unable to make the vision of training every frontline worker in the state without generous donations from area and national organizations. We greatly appreciate your consideration in assisting us with our fundraising efforts. For your convenience, a list of all donation options and exposure has been included in the event brochure enclosed. If you are unable to participate as a donor or sponsor, we hope you will consider supporting as a golfer or attendee.

If you are interested in making a tax deductible donation, please contact us at 717-249-0900, visit ChildFirstPA.com or fill out the enclosed form and mail it back to Attn: ChildFirst Golf, 2 West High Street, Carlisle, PA 17013. We will be happy to pick up any donations at your convenience. To find out more about ChildFirst PA please visit ChildFirstPA.com.
